PROJECT PAYMENT PLAN TERMS

Percentages only. Final project pricing is established separately through the approved estimate or work authorization.

PAYMENT STRUCTURE

50% due at vehicle drop-off.

- Remaining balance divided into three biweekly payments.
- Each payment is approximately 33.3% of the remaining balance.
- Payments are due every other Friday according to the agreed payment schedule.

IMPORTANT TERMS

The payment schedule and project completion schedule are separate. Parts delays, additional damage, fabrication, outside services, or other production conditions may affect completion time.

Additional authorized work may change the remaining balance, payment amounts, number of payments, and completion time.

All authorized amounts owed must be paid before the vehicle is released unless otherwise agreed in writing.

Submitting this application does not guarantee acceptance into the Project Payment Plan.
